CHILDLINE SHILLONG

CHILDLINE ANNUAL REPORT

April 2009 to March 2010

&

April 2010 to December 2010

CHILDLINE 1098

CHILDLINE is a national 24 hours free phone emergency outreach service for children in need of care and protection. It responds to needs of children and links them to long-term services. The CHILDLINE number 1098 is a toll free number that is common in all cities in India. It responds to needs of children and links them to long-term services. CHILDLINE is currently operational in 91 cities.

1.1 **Overview of CHILDLINE Shillong activity**

CHILDLINE Shillong started on July 2001. Since its inception, CHILDLINE Shillong has played a very remarkable role in every aspect, where it responds to every child who dials 1098 and provides emergency assistance through intervention and long-term follow up.

Operational Strategy:

The Collaborative Organizations respond to all incoming calls, 24 hours a day and provide the necessary assistance. The Collaborative Organization must also respond when a concerned adult informs it about a child in need of care and protection.

The primary role of the CHILDLINE Nodal Organization is to ensure effective networking and training of organizations associated with CHILDLINE. The nodal organization ensures that the issues faced in responding to calls are addressed for effective functioning of the service.

CHILDLINE India Foundation is the nodal agency appointed by the Ministry of Women and Child Development, Government of India to facilitate, monitor and implement CHILDLINE service through partner organization throught the country.

1.2 **Location of CHILDLINE office (Geographical area covered under CHILDLINE Shillong**

CHILDLINE being a city-based programme covers the entire Shillong city from G.S. Road to Ladumsaw, from Shra Road to Mylliem, from Nongstoin Road up tp Mowngap, from Jowai Road to Ladsmith and from NEIGRIHMS TO Mawlynrei, delivering services as per the protocol and intervening the cases as and when received. Although, CHILDLINE is a city-based programme, but at times, it does intervene cases received from beyond its jurisdiction depending on the urgency of the cases.

CHILDLINE Shillong has stepped towards the 9th year of its functioning in Shillong and has played a remarkable role towards addressing the needs of children in distress.

3.2. **Open house:** Open House is an open forum for children associated with CHILDLINE to address conflicts, assess, review and evaluate the service. It allows space for the CHILDLINE team along with the children to identify solutions to problems.

CHILDLINE Shillong too has been conducting open house regularly thereby having an interaction with the children and understanding their problems so as to get it resolved accordingly.

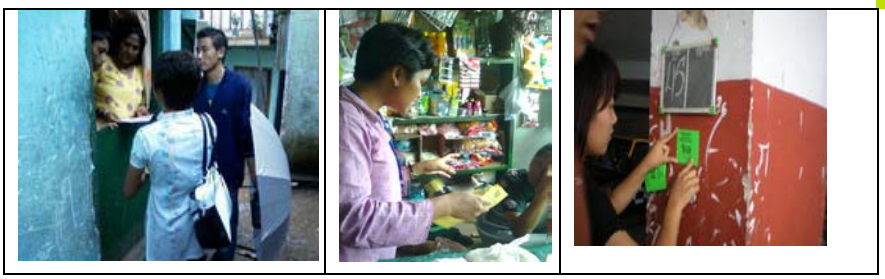

During the period April 2009 to December 2010, CHILDLINE Shillong conducted a total of 12 numbers of open house at different localities targeting different groups of children such as school going, non-school going, drop-outs and others belonging to different age-groups. During these, various issues were highlighted such as CHILDLINE, Child Abuse and Child Trafficking with special reference to Child Beggary, Organ trade, Flesh trade, Child Sexual abuse and how to protect themselves. Importance of education, health and hygiene, Food, Nutrition & Cleanliness, etc was also given importance. Moreover, important information was disseminated among the children concerning free services available for the community and about the ICDS Scheme and how it could be availed.

Besides, a platform was provided to the children whereby they shared about their life situation for sharing. Moral values were also inculcated during the open house being conducted. Most of these 'open house' concluded with games, songs, recreational activities and jokes as a part of entertainment for the children.

3.3. Outreach & Awareness: Outreach for CHILDLINE is an everyday feature. Members of the CHILDLINE team go out on the street and create awareness about CHILDLINE. This direct method of reaching out to children is the strongest method of getting the CHILDLINE message through, especially to children

Awareness in CHILDLINE is an integral part of CHILDLINE. CHILDLINEs success is measured not just by the number of calls in a city but also by the levels of awareness. The primary focus of CHILDLINE awareness to make the 1098 number known to children, show them how to call and built their confidence in

Sensitizing the taxi driver about CHILDLINE 1098

Sticker Campaign

Interaction with the child during outreach

CHILDLINE Shillong has been rigorously involved in conducting outreach and awareness on a regular basis creating awareness on CHILDLINE 1098 services and other children related issues.

During the period April 2009 to December 2010, the team devoted more than 241 days going for outreach and awareness to different localities and areas targeting market places, taxi stands, slums, PCOs, individuals, shops, bank, Police Stations, etc sensitizing the masses about CHILDLINE and the services rendered by it through the number 1098.

As a part of awareness programme, Poster Campaign on child trafficking was carried out in all the Police Stations in Shillong thereby sensitizing the police personnel about the prevalence of child trafficking in the state and collaborative effort required to address the menace of trafficking. Film screening on child trafficking was also carried out in many of the educational institutions in Shillong while poster campaign on the same was carried out in more than 30 schools in Shillong. Poster campaign on child trafficking was also carried out in the public places as well.

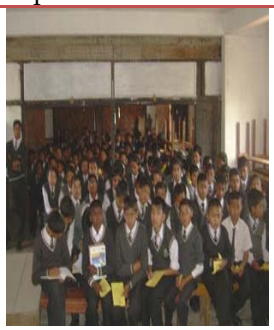

mpaign on Child Trafficking

Apart from this, skits were developed based on child labour, domestic work and child trafficking which were performed in a number of schools as well as in public places.

Skit performace in the schools | Street play in Parking lot.

The skits were based on child labour and trafficking issues which happened to be the most important and burning subject at the moment. The teachers as well as the students appreciated the skit performed and very well received the message that was intended to pass to them. The Principal of the schools too gave impressive feedbacks which are recorded in the reports.

The skits were performed in more than 10 schools during the period 2009. A follow-up of the same was carried out through awareness programmes in various schools in Shillong during 2010.

Besides these, other activities that were carried out as a part of CHILDLINE awareness include one-to-one awareness, community awareness, and awareness in banks, Ward Lake, orientation to the school teachers, community leaders, headmen and other pressure groups.

3.4. NICP workshop: National Initiative for Child Protection (NICP) is a campaign initiated by the Ministry of Social Justice and Empowerment through the National Institute of Social Defence (NISD) and CHILDLINE India Foundation (CIF).

NICP aims to build partnership with the Allied System for protection and promotion of Child Rights.

NICP for the Nurses under Training on the 30th November 2009 | *NICP for the Sub-Inspector, Traffic Personnel sans Sentries on the 3rd December 2009* | *NICP for the Police Personnel on the 17th December 2010*

As per the aim of NICP, CHILDLINE Shillong too has been conducting NICP training for different target groups from time to time based on the felt need of CHILDLINE Shillong.

CHILDLINE Shillong has conducted four (4) numbers of NICP Training during the period April 2009 to December 2010 as per the NICP guidelines. The trainings were organized by NISD in collaboration with CHILDLINE India Foundation (CIF) and CHILDLINE Shillong and supported by NIPCCD.

During the said training programmes, the Resource Persons and the topics covered were:
